

M HEALTH FAIRVIEW UNIVERSITY OF MINNESOTA and FAIRVIEW PHARMACY SERVICES:

PGY1 & PGY2 Health System Pharmacy Administration and Leadership Residency

Program Overview

The Health-System Pharmacy Administration and Leadership Residency is a 24-month program. There are three positions based at M Health Fairview University of Minnesota Medical Center (UMMC) and Fairview Pharmacy Services (FPS). This program fulfills the requirements of a PGY1 Pharmacy Residency and a PGY2 Residency in Pharmacy Administration and Leadership.

At UMMC, the latest in technology and treatments is balanced with patient-centered care. As the core teaching hospital of the University of Minnesota Medical School and College of Pharmacy, the hospital is among the most respected in the nation, providing exceptional learning experiences for students and residents..

FPS is a comprehensive provider of pharmacy services for consumers, employers, and healthcare providers in Minnesota and across the U.S. The Pharmacy Residency Program consists of direct patient care opportunities in a variety of clinical areas, as well as leadership experience in acute care, home infusion, specialty pharmacy, and supply chain. Each resident's experience is tailored to individual interests and clinical skill development needs. The program focuses on the development of leadership and management skills.
